Club News and Other Information

Last Club Meeting

October 20th – at the Ranch – Good turnout - Mike Denlis, Jim Corbett, John Thompson, Gene Pape, Floyd Carter, Gary Weems, George Greenwald, and Wayne Esauk.

Next Club Meeting

Time and place – **10 a.m. Saturday November 17th**, at the Ranch, or at the Kozy at 1600 Coburg Rd, Eugene, if the weather is not good.

Local flying

October 20 – Good turnout for the meeting. Mike, John, Floyd, Gene, Gary and two young prospective new fliers..

Jim Morton showed up a little later. Hope I didn't forget anyone. We also had George Greenwald as guest observer. Also two young potential fliers, Eamon and Cameron and Eamon's mom, Jane.

Both Eamon and Cameron got flights in on a Prop Spinners Coroplast trainer, and it looks like we'll have one or two new CL fliers soon!

Gene took two of the three Coroplast trainers home to do some work on the engines. It turns out that the method of mounting the engines to the airplane via the backplate bolts eventually results in a leaky backplate. In the meantime, the Jim-built Coroplast trainer is working, and we have several other, larger trainers in the trailer that are still usable.

October 27 – Attending Jim Corbett, John Thompson, Gene Pape, Gary Weems, Russ Hester, and Wayne Esauk. Jim, John, Gene, Gary and Russ flew.

November 3 – Jim Corbett, John Thompson, Dave Shrum, Dave LaFever, Floyd Carter and Wayne Esauk.

November 10 – John Thompson, Dave LaFever, Mike Hazel, Gary Weems and Wayne Esauk. Cameron and Eamon also flew the Coroplast trainers.
