Club News and Other Information

Last Club Meeting

Saturday October 19th, Meeting at the Kozy John Thompson reports - The rain dampened our flying plans last weekend and the wind blew them away. But we did have our club meeting indoors at the Kozy. Only four attended but we all had a tasty breakfast, conducted a little club business, exchanged modeling notes and told stories.

John, Jim, Gene and Wayne were there.

Next Club Meeting

Time and place – 10 a.m. Saturday November 16th, at the Ranch or at the Kozy at 1600 Coburg Road, Eugene, if the weather is bad. Watch your emails on Friday or Saturday morning.

We have two new club members, Jim Horstrup and Tim Ziegenbien.

Jim is a returning member from some years ago, and Tim is new.

Local Flying

October 26 – John Thompson reports - We had a great flying session at the ranch. Cool but sunny weather, almost calm air and a good turnout of fliers. Jim Corbett, Dave La Fever,

Gene Pape, Gary Weems and I flew, and Wayne Esauk also was on hand. The field is in great shape now that our grass seeding has filled in some of the bare spots, meaning lots of smooth, clean landings! Combat, stunt and sport planes were flown.

Also, keep in your thoughts a couple of our lifetime members who are under the weather: Dave Shrum suffered a fall injury recently and is on the mend. Mike Hazel had a knee replacement recently. Get-well wishes to both!

November 2 – John Thompson reports - One of the best flying sessions of the year. We had 11 people at the flying field, most of whom flew!

We welcomed our two new members, Jim Horstrup and Tim Ziegenbien. We also were delighted to see Dave Shrum on hand, wearing a neck brace, and recovering well from his recent injury. He made one flight and found it a bit of a challenge with the neck brace, but it's a good sign that he's recovering well and we will see him back after a little more healing.

All in all, we had on hand at the field Floyd Carter, Jim Corbett, Wayne Esauk, Dave La Fever, Russ Hester, Jim Horstrup, Gene Pape, Dave Shrum, John Thompson, Gary Weems and Tim Ziegenbien (and his wife Erin)..

November 9 – Mike Denlis, John Thompson, Gary Weems, Gene Pape and Tim Ziegenbien flew. Jim Corbett and Jim Horstrup assisted.

.Ranch Update

October 30 – Installed new blades on riding mower. One of the old blades was bent badly.

Meeting and show and tell - September 21

John, Wayne and Gene

Show and tell engine OS 35.
