Academy of Model Aeronautics membership required

Directions to flying sites:

Portland

The flying site is in the northwest corner of East Delta Park. Take the Marine Drive exit from Interstate 5 and follow the signs to Delta Park.

Roseburg

The flying site is the Sunshine Park baseball fields. Take Interstate 5 Exit 124, and follow the signs to Highway 138. The baseball field is about three miles east on 138 at Sunshine Road on the left side.

Salem

Bill Riegel Model Airpark is at the Salem Airport. Take Interstate 5 Exit 253, head west on Mission Street Southeast and turn left on 25th St. S.E.; the flying field is at the airport terminal on the left.

McMinnville

The flying field is at the Evergreen Aviation & Space Museum, 3.5 miles southeast of McMinnville on Highway 18 across from the McMinnville Municipal Airport. Enter the museum property via N.E. Cumulus Avenue at the stoplight on Highway 18. Approaching the Air Museum, Cumulus will be painted like a runway. Take Runway 36 north up to the Spruce Goose and bear right at the Y toward the Theatre. Carefully proceed north through the parking lots toward the 30-foot-high stone arch inscribed with the Boy Scout motto "Be Prepared." Access to the model fields is via a narrow paved road about 80 yards east of the arch. Circles are to your right north of the Atlas booster and the Beech Starship.
