

Ringmaster Fly-A-Thon 2023

**The Brotherhood of the Ring is sponsoring its 16th Annual Fly-A-Thon event:
October 7th & 8th, 2023**

Matt Kania's beloved Ringmaster control line model has been built and flown by more modelers than any other control line model airplane!

This is not a contest! No registration is required. There are no entry fees or prizes! This Fly-A-Thon is to *honor* the most popular CL model ever!! Be part of something really big and help make history by having more worldwide Ringmaster flights in a single weekend than our last record of **605 Pilots & 10,481 flights** from 2022!

Goal this year is 10,900+ flights by 700+ pilots!!

This event is open to **all** participants **worldwide!**

On October 7th & 8th, we challenge you to fly any one or more of the many varieties of Ringmasters, old or new, and report your flights to: www.ringmasterflyathon.com

Deadline for reporting is **12:00 noon Eastern time (USA) Tuesday October 17th**

Location: Wherever you are in the world!

Any Ringmaster from 1/2A to Giant and all variants in between can be flown.

Please report, how many total Ringmaster **flights** were made, how many different **pilots** flew, how many **different** Ringmasters flew and the **location** of these flights. Please feel free to include *lots of details* of your event as we plan to chronicle the Fly-A-Thon for future publication!!! If you get a new pilot to solo on a Ringmaster, that first flight will count as 2 flights!

**** A minimum of 5 laps & 30 second pause is required to count as an official flight! ****

Let's keep the spirit of C/L alive!

Ok everyone! Just dig that old dusty Ringmaster from your attic and go fly it!

The results will be compiled and published by the Brotherhood of the Ring.

All questions should be directed to the primary contact: 2023flyathon@ringmasterflyathon.com

Rain/Wind/Flood/Conflict/etc. makeup weekend is October 14th and 15th
