

# Northwest Control-Line 52<sup>nd</sup> Regionals

Roseburg, Oregon, May 23-24-25, 2025

---

## Volunteers needed!

Here's a way to enjoy the Northwest Regionals, whether or not you are a competitor!

The Regionals always needs a large variety of volunteer workers: Stunt judges, Combat cut counters, Racing timers, pull testers, scoresheet runners, setup and teardown crew helpers and lots of other roles, large and small.

You wouldn't have to work all three days of the contest: The more workers volunteer, the easier the jobs for everyone.

If you would like to join the effort to keep the Regionals as the West's greatest control-line contest — and be up close to the action — use the following contact information to get your name on the helper list.

We know you'd enjoy it — and Regionals competitors and organizers will be forever grateful.

To get on the list, email [jthompson4051@gmail.com](mailto:jthompson4051@gmail.com).

**Thanks for your help!**
