Out of town flying

A very nice fun fly today in Salem. Thanks to our WOLF Club brethren for hosting a fun event. Weather was mild temperatures, calm air, and just a sprinkle of rain for a few minutes about 1 p.m. or so.

Oregon Flying Fun No. 3, Salem, Ore. - February 6th 2016 - See Flying Lines for the full report

John Thompson reports – We flew until about 2 and then some of us headed to the Flight Deck for lunch.

Only thing that would have made it better was more fliers. With only about 11 attending (everyone else believed the weather forecast), everyone had a chance to get all the flights in they wanted.

Prop Spinners were represented by Mike Hazel, Mike Denlis, Jim Corbett, Dave La Fever and John Thompson. Others attending (from memory, so hope I didn't forget anyone) were Craig Bartlett, Tom Brightbill, Dave Royer, Gerald Schamp, Dean Singleton and Doug Powers.
