Club News and Other Information

Last Club Meeting

Our monthly meeting was on May 17th. Mild temperature.

Northwest Regionals

What can we say ... what a great weekend at our field last week, with fliers from all over the U.S. and Canada visiting us to fly on our site! Hope everyone enjoyed it. John Thompson CDed and Mike Denlis guided the set-up and take-down crew. These two club members make a big effort to have it a great event, and they succeeded! See Flying Lines web site for the full report.

A few Prop Spinners even went out again on Monday to fly ... Mike Denlis, Mike Massey, Mike's brother (sorry, forgot the name), Jim Corbett and guest Russ Shaffer from Klamath Falls were in the Monday group.

Club Flying

Sunday May 31 – John Thompson reports. - We had a great session last weekend with nine fliers at our field at the Eugene Airport and a beautiful day for it, along with a couple of potential new fliers who stopped by to visit.

Sunday June 7 – Another great flying session at our Eugene airport field ... and there was a smaller flying session on Saturday, too!

Event Report

June 20 - Salem - John Thompson reports - WOLF's 2009 Lucky Hand Fun Fly

Bouncing back from a lightly attended 2008 event, the annual Willamette Valley summer highlight, the Lucky Hand Fun Fly at Bill Riegel Model Airpark, drew lots of fliers and a full day of flying of all kinds of airplanes.

Planes ranged from tiny 1/2-A models to serious Precision Aerobatics Stunters, and there was even a 1940s vintage Fireball. A number of fliers brought out nostalgic .049-powered planes, and most of them flew. Weather was overcast, almost no wind, and pleasant. Prop spinners Tom Kopriva, Gene Pape and John Thompson attended.

Oregon Blue Sky Stunt Classic

Aug. 22-23 - Oregon Blue Sky Stunt Classic, Eugene Airport, Eugene, Ore.

Saturday: Old-Time Stunt, Classic Stunt, Profile Stunt.

Sunday: PAMPA Precision Aerobatics
Sponsored by Eugene Prop Spinners.
