### **Old Business:**

- The status of flying at the North Green River Park (Pea Patch) was discussed. We along with the RC flyers have been asked to not fly at the park until all issues have been resolved. Randy Ling reported that he continues to communicate with both Dean Aldridge of Valor Soccer and T.J. Davis of King County Parks and Recreation to support the opportunity to fly once again at the North Green River Park soccer fields. Currently Dean is working to resolve issues with King County Parks and Recreation and after those are resolved, there may be an opportunity for the Northwest Skyraiders to put together an agreement allowing us to continue to fly at the park. Steve, Randy and Mike will continue to maintain contact with both Dean and T. J. in support of this plan. Randy Ling has suggested we, as an organization work with the Kent King County Councilman, Dave Uptegrave to gain his support for a club such as ours that supports veterans, an elderly population and healthy outdoor activities.

### **New Business:**

- Steve Holt gave a Secretary and Treasury report noting our current Checking and Savings balances, our current membership of 22 paid members, that he had paid for our annual renewal of the AMA Club Charter for Club #330, the Northwest Skyraiders, and that he had renewed our annual requirement to be registered with the Secretary of State in Washington to maintain our “Non-Profit” status. So the club is caught up for all documentation with national and the state for another year.
- There remains interest in holding at least one contest this year as the Covid-19 virus eases. We are evaluating the best location to hold a contest. Several sites are being discussed and looked into to determine the possibility of holding a contest.
- There remains interest in holding a swap meet this year as the opportunity arises. We will discuss possible locations at the May meeting.

- The Northwest Regional contest in Roseburg Oregon has been moved to September 3,4,5.
- The Northwest Hobby Expo has been moved to October 30,31
- We should be able to continue to hold our normal meeting dates on the second Tuesday of the month at the Denny's on Central Ave in Kent, WA as long as the current Covi-19 status remains as it is. The reservation for each second Tuesday evening has been established with Denny's in Kent for the rest of the year of 2021.
- Meeting adjourned at 7pm.
