# SIRS MEETING MINUTES

OCTOBER 12, 2024

President Randy Doss called the meeting to order at 1:00 p.m. at the SIRS Flying Field. There were 16 members present.

Randy read the minutes from the September 14, 2024 meeting. Dennis read the Treasurer's report. Both reports were approved as given.

Dennis also read a thank you from St. Mary's School for the \$200 donation the club made for the use of their gym by the club during the winter months.

## Old Business

Dave Leavens reported that he will soon remove the covering from the dirt pile and will then kill any weeds that are present in the pile. He stated that the new track will be constructed well away from the existing control line circle.

Randy reported that he has not been able to investigate the purchase of a new PA system. It will not be needed until next year anyway.

A brief discussion regarding upgrading the electrical panel by adding two new circuits for a cost of \$150.00. A vote of the membership was taken, and the matter was approved.

## New Business

Randy asked if there were any additional members who would like to serve the club in a leadership role. No other names were presented. A vote of the members present was taken, and approval was given for the current officers to retain their current duties for the upcoming year.

John Cralley reported that the Ringmaster event held at the field this morning resulted in 101 flights which will be reported to the national organization. Mr. Cralley also reported that he is no longer able to manage the upcoming Ringmaster events. The members recognized him for his excellent work of promoting this portion of our great hobby.

With no further business the meeting was adjourned.

Next meeting will be at the Covell Town Hall on November 2, 2024 during our annual banquet.

Respectfully submitted, Dennis Garrigus, Treasurer
