

The 47th Northwest Control-Line Regionals

Roseburg, Oregon, May 25-26-27, 2018

The fine array of trophies and merchandise prizes awarded each year at the Northwest Control-Line Regionals is made possible in part by sponsorships. We are offering the opportunity to individuals, clubs, or businesses to be a part of the awards presentation ceremony by helping to purchase the prizes and trophies. Appropriate recognition will be given to all donors, unless they wish to be anonymous.

Again this year, we will be using a door-prize format to give out merchandise prizes to those at the award ceremony. All contestants attending will have an equal chance at a prize.

Sponsorship of the Grand Champion category trophies typically go fast, so please indicate alternate choice(s). Please note the deadlines below.
