Several WOLF members made the drive down to the Eugene Airport on Feb. 19th for the first of three control line fun flys in the valley. It was cold but clear, with a decent turnout for the valley's first event of the season, which was hosted by the Eugene Propspinners. WOLF members in attendance included: Jerry Eichten, Bruce Hunt, John Thompson, Dave LaFever, and Mike Hazel. There was a "flying raffle" where every flight you did earned a ticket in the can. Everybody went away with some good stuff.

The next fun fly will be at our own field on Saturday, March 18th. Flying time will be 10 to 3. There is no entry fee, just show up and fly whatever you want, and maybe go away with a prize or two just for flying!

Plenty of good activity on the schedule for this year in the region. First big meet will be the Northwest Fireball's bash in Portland. (see enclosed flyer). And

of course the following month will be the traditional Northwest CL Regionals. It moves back to it's original point after a few years done in Roseburg and then in Albany. Be watching your mailbox for a flyer coming in a few days.

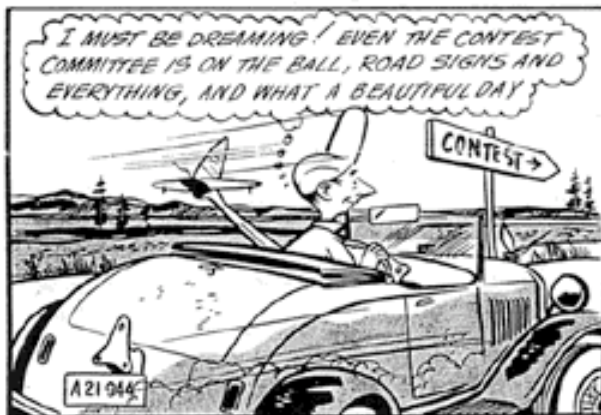

The WOLF activities scheduled so far for the year include the upcoming fun fly, the traditional Lucky Hand Fun Fly in July, a Speed meet in September, and the traditional Fall Follies in October. Would you like to see more activities scheduled? Let's keep our field buzzing with activity. Contact one of the WOLF officers and share your ideas.....

Remember.....

Fun Fly on Saturday, March 18th, Salem Airport!

and..... please renew your club dues as soon as possible if you haven't already done so!
