

## MIKE HAZEL'S INVENTORY REDUCTION SALE!

Welcome to my list. **UPDATED 2-12-2019**  
Ordering can be done by phone, e-mail or postal mail. Payment is by cash, check, or money order. Add Fifteen dollars for each order. If you have a really cheap package to ship, I will send a partial refund separately for that. Shipping costs will be higher outside of USA.

The list layout should be self-explanatory. For Spinners and Speed Pans order by item number. If you want to use this list as an actual order form, I can include a new one packed with your order.

Product Conditions Code: This pretty much follows M.E.C.A. terms. NIP= new in original package, or box. N= new, but not in original packaging. LN= may or may not have seen very light use. Many of the items here labeled LN are probably new, but cannot be sure. EXC= means used but in excellent condition. VG= used a bit more!
