

MIKE HAZEL'S INVENTORY REDUCTION SALE!

Welcome to my new list!

UPDATED 3-08, 2024

Ordering can be done by phone, e-mail, or postal mail. **Payment is by cash, check, or money order.**
Discounts considered on large orders.

Shipping Charge will be "guess-timated" for your order. If the actual shipping cost (postage & packaging material) is less than the estimate you will receive a refund. If cost exceeds that I will eat the difference.

The list layout should be self-explanatory. For items in the Used Engines, Speed Pans, Spinners & Parts, sections please reference the item number.

Product Conditions Code: This pretty much follows M.E.C.A. terms. NIP= new in original package, or box. N= new, but not in original packaging. LN= like new, may or may not have seen very light use. Many of the items here labeled LN are probably new, but cannot always be sure. EXC= means used but in excellent condition. VG=very good, G = really means fair.
