

MIKE HAZEL'S INVENTORY REDUCTION SALE!

Welcome to my list **UPDATED 3-20-23**

Ordering can be done by phone, e-mail, or postal mail. Payment is by cash, check, or money order.

Shipping Charge will be "guess-timated" for your order. Postal rates have gone crazy. If the actual shipping cost (postage & packaging material) is less than the estimate you will receive a refund. If cost exceeds that I will eat the difference.

The list layout should be self-explanatory. For items in either the Speed Pans or Spinners & Parts sections please include the item number.

Product Conditions Code: This pretty much follows M.E.C.A. terms. NIP= new in original package, or box. N= new, but not in original packaging. LN= like new, may or may not have seen very light use. Many of the items here labeled LN are probably new, but cannot always be sure. EXC= means used but in excellent condition. VG= used a bit more, G = really means fair.
