JUNE 2007

## Club News and other Information

### CLUB FLYING STATUS

A few members have been at the flying site flying and getting things ready for the 36th N.W. Regionals. The wind sox is in place and works great. The grass has been mowed and is ready for use.

\*\*\*\*\*

### 36th Annual Regionals Report.

At last count 86 contestants showed for the Annual Contest. The field was in excellent shape and the weather cooperated this year. Every day was nice with just a little rain overnight Saturday and a little on Sunday morning. But

it was much better than the rainy time we had last year.

Precision Aerobatics was the big draw again this year. A few of the old regulars did not show.

The attendance was about the same as last year, maybe the gas prices kept a few people home. The Trophies were very nice and lots of people

great job well done.

Craig Bartlett did a great job as CD and was on top of everything as usual. Great Job Craig I know you put in lots of hours each year on this and it is greatly appreciated.

Dave Shrum was doing his part even though his thoughts were with Peggy.

John T. and Mike H were busy as usual with Racing and Speed.

Thanks to Dave Gardner for his dedication to the Aerobatics group.

Great Job to ALL who participated. See you next year.

commented on how they looked. The red, white and blue theme was popular, thanks to Bar-n-Dee for a

## Club Meeting Time and Place

Next Meeting-  
JUNE 17th at  
Flying Site at  
NOON.

Bring a plane  
and fly.

\*\*\*\*\*

Storage Trailer\*\*\*\*

The new trailer to be used for storage was cleaned out and has the regionals equipment within it. Thanks to Dave Shrum, James Corbett, Mel, and Morrie for all the hard work in removing the insides from the r/v trailer and making it a storage shed. The big rear door will be installed later and should allow easy
