Miscellaneous Ramblings from Ye Olde Editor

Greetings All! Hope everyone has been enjoying the dry weather, it probably won't last much longer!

This will be just a small issue, gotta get out the reminder that we are hosting events on consecutive weekends coming right up! Flyers included for both herein. This year we are having some combat action at the Follies alongside the stunt flying. Then the following weekend we will do some go-fast action which will pretty much complete the Northwest CL contest season.

We had a great time on August 2nd at the Zoot Ranch fun fly. Besides local club members we also had some guests ranging from Roseburg to Portland. Plenty of great flying, weather was great, and of course good eats! We will probably do it again next year, so just be watching the activity calendar.

Field news..... we had a club work party during the last week of August. War was waged on the gophers, and methinx we go rid of most of them. We also smoothed out the rough spots that have been dug up. The field was also mowed (mostly weeds!), and work was done on filling more of the asphalt circle cracks. Thanks to all to helped out!

That's it for now, hope to see everyone over the course of our next events.

Thought of the month.....

If work is so terrific, why do they have to pay you to do it?

The Western Oregon Control-Line Flyers cordially invite
you to the 28th annual ...
