Local Flying

Oct 15 - John Thompson reports – We had a good meeting and flying session at the ranch. Weather was perfect: Mild temperatures and light breeze.

Lots of flying and socializing was done among attendees Jim Corbett, Mike Hazel, Dave La Fever, Gene Pape and John Thompson. We enjoyed seeing Dave's new very nice-looking Cardinal, which he has not flown yet. We also got to admire the new mower shed, which should keep our investment dry over the winter.

We now have studded tires on the mower.

Oct 22 – John Thompson reports – We had a good flying session at the ranch. Almost perfect weather: Mild temperature and partly cloudy skies that kept the sun out of our eyes. Participating were Bill Badstubner, Jim Corbett, Dave La Fever, Paul Lancaster and John Thompson.

Oct 29 – John Thompson reports – We had another good flying session at the ranch, attended by Bill Badstubner, Jim Corbett, Dave La Fever, Gene Pape, John Thompson and Gary Weems. Temperature in the 50s and light breeze blowing away from the sun. Lots of flying was done including the maiden flight on Dave's new Cardinal.

Also last week, several Prop Spinners enjoyed the Fall Finale Fun Fly hosted by Western Oregon Control-Line Flyers in Salem. Prop Spinners attending included Mark Crouse, Mike Hazel, Dave La Fever and Will Naemura.

Nov 5 – John Thompson reports – We had a good flying session at the ranch. It started out a bit breezy but the wind calmed down and the weather was pretty beautiful for November. Attending were Jim Corbett, Mike Hazel, Dave La Fever, Gene Pape, Gary Weems and John Thompson.

We've had some rain but it's nice today and the forecast is for no more rain until Friday, so this next Thursday should be another nice day for flying.

Nov 12 – John Thompson reports – Another good session at the ranch. Almost no wind and overcast to keep the sun out of our eyes. Attending were Jim Corbett, Gene Pape, John Thompson and Gary Weems.

Out of town Flying

Sep. 26-27 – Fall Finale Fun Fly, Bill Riegel Model Air Park at Salem Airport, Salem, Ore.
